WRUF Attendance and Work - Students are required to receive professional training and experience for a minimum of six hours each week in the Innovation News Center and WRUF-AM ESPN 850 studios. This is a critical component of the course and the evaluation of the effectiveness of this training experience will comprise 33% of the final grade. This experience may include research, writing sports updates and web stories, control board operations and covering and reporting on events such as press conferences and sports competitions.

Shifts may include evening or weekend hours, and can change, and you may be asked to work during times outside your regular shifts. The weekend and evening shifts should be seen as recognition of your good work. This typically means you have been asked to cover an event because you have done excellent work at the station. This will provide you with additional valuable experience. Steve Russell, Sports Director for the multimedia properties, will assign the shifts.

Introductory training sessions will be held during the second and third weeks of the semester at ESPN Gainesville. Attendance is required even for students who have worked previously at one of the College’s multimedia properties. Attendance at the session is required. Please let the instructor know ahead of time if you become contagiously ill or otherwise too ill to attend either session.

You will be advanced through different phases throughout your time in this class and ESPN Experience to best prepare you for your time in the INC. You must master all the skills in a phase before you can move on to the next. Phase One must be mastered before you are allowed to start your shifts at the ESPN Experience in the INC.

ESPN Experience Progress

You will be given information on expectations. There will be a checklist of skills in phases, and you will be tested on them before you are moved to the next phase. This should make you aware of what is expected, and it should also let you know whether you have moved ahead during the semester.

Important: In lieu of a final exam, you will be working at the station through the end of finals week. Please mark this down on your calendars because it cannot be a surprise at the end of the semester.

You must cover your shift each time and be on time. If you cannot work, you are responsible for getting someone to cover the shift for you and informing the sports director.

There is a professional dress code for the multimedia properties. Students must be prepared at all times to be sent out to press conferences or other events. When you go, you represent the properties, the College and the University of Florida. Closed toed shoes and collared shirts are required. Neutral colors are required for sports journalism students, meaning no orange or blue or UF attire. In addition, athletic wear, hats, sleeveless shirts and flip-flops are not allowed. The dress code for 2014-15 will be distributed in class.

Attendance in the class is required. Excused absences include approved UF attendance exceptions. In all instances of excused absences the instructor and student will work out a plan for completing missed assignments.

Students are expected to participate in all class discussions. Please turn off cell phones prior to class. Sports reporting is a deadline-based profession, so you are expected to arrive on time for each class.

In case of illness, the instructor should be notified in advance and a physician's note may be required. Unexcused absences will result in deductions from the students final percentage score. Requirements for class attendance and make-up exams, assignments and other work in this course are consistent with UF

policies which can be found in the online catalog at:

<https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>

Attendance is recorded and you could lose attendance and participation points for excessive absence from class time. This could affect up to 15% of your final grade.

Absences and Make-up Work

Students are expected to be in class on time and remain until the dismissal. Absences are unexcused when the professor has not been notified of an acceptable reason within 24 hours of the class meeting. When absent, please contact a fellow student to find out what was missed. You are responsible for all material covered or assigned during classes, even if you are not there. Your grade on late assignments will drop one letter grade for every day they are late.

Academic Integrity

UF students are bound by the Honor Pledge, which states, "We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code.

On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: "On my honor, I have neither given nor received unauthorized aid in doing this assignment." The Honor Code specifies a number of behaviors that are in violation of this code and the possible sanctions. For more information visit the Honor Code web page at
