Important Notice This course requires a laptop with the Adobe Creative Cloud and constant access to WiFi. If you cannot meet these requirements, you should not take this course.

Course overview Visual literacy is a pre-requisite for success in most areas of mass communication. This course will teach you fundamentals of design across print, web and multimedia platforms. You will also learn how visual forms convey messages to readers.

Course objectives This course will teach you to:

- Identify the principles of sound visual design
- Select visual images that communicate effectively
- Demonstrate ethical decision making in your choice of visuals
- Produce stories in graphic and multimedia design
- Identify the purpose, audience and needs for messages created in print, web and video platforms
- Pick content that is relevant to the project purpose
- Identify and use the tools available in the Adobe Creative Suite
- Create effective and attractive messages using appropriate software tools
**Required texts** *White Space Is Not Your Enemy*, Second Edition (WSINYE); Lynda.com; additional reading assignments will be posted in Canvas.

**Communication Methods for Online Students** For general course questions, assignments, and grades, please email the professors.

For questions pertaining to Adobe Premiere and Adobe Audition: Email Houston Wells at hwells@jou.ufl.edu

For questions pertaining to all other course content: Email Kay Tappan at kaytappan@jou.ufl.edu

Email is the preferred method of communication for this course. For students in Gainesville, it is advisable to attend our office hours for technical questions about the software. You can use Canvas mail, but standard email ensures a more immediate reply.

Please do not ask questions in the “comments” section of an assignment. The instructors do not get an individual ping when a comment is left, so we will not know that they are there and so will not respond in a timely manner.

For technical issues with Canvas, please contact E-learning technical support, 352-392-4357 (select option 2) or e-mail to Learningsupport@ufl.edu.

For technical help with the Adobe Creative Suite and system requirements:
http://helpdesk.ufl.edu/software-services/adobe/

**Software requirement** You MUST have a laptop computer capable of running the Adobe Creative Cloud suite of software, and you MUST subscribe to, download, and install the Adobe Creative Cloud suite of software before classes begin. If you are not able to fulfill this requirement, then you must drop this course. This policy is in line with the College’s computer/equipment requirement, which can be found here:

http://www.jou.ufl.edu/academics/bachelors/admissions/computerequipment-requirement/
The Adobe Creative Cloud package is available to UF students at a steep discount. The cost is $113.35 for the year. To get started, please visit: http://helpdesk.ufl.edu/software-services/adobe/

If this option is no longer available, you will need to purchase the Adobe Creative Suite directly from Adobe. The Adobe Creative Cloud package costs $19.99 per month, and you must subscribe for 1 year. To purchase, visit http://www.adobe.com/creativecloud/buy/students.html?promoid=N7FDRVG6&mv=other

**Open Labs on Campus** If you are in residence in Gainesville, you can make arrangements to use the open labs on campus.

The Adobe Creative CC Suite is on all Academic Technology computers. So all computers in the Architecture, Marston, CSE, HUB, Norman, and Weil computer labs are equipped with this software. Additionally, the Architecture computer lab is open 24/7 starting Tuesday, September 6th.

To find information and hours about labs, please visit https://labs.at.ufl.edu/computer-labs
Using Lynda.com  Lynda.com provides tutorials on various software applications. This service is free to UF students. Occasionally, you will be assigned to watch Lynda.com tutorials. This is mandatory; any assigned videos constitute potential test material. To access Lynda.com, visit:

http://elearning.ufl.edu/

Click on the Lynda.com link to the right. You will be required to enter your UF ID and password and will then reach the Lynda.com homepage.

Student Complaint Process  Please visit  http://www.distance.ufl.edu/student-complaint-process

Students with Special Needs  Students requesting classroom accommodation must first register with the Dean of Students Office. The Dean of Students Office will provide documentation to the student who must submit a documentation letter to the professor when requesting accommodation. Please notify me at the beginning of the semester if you would like to discuss requests for special provisions.

Course Evaluations  Students are expected to provide feedback on the quality of instruction in this course based on 10 criteria. These evaluations are conducted online at https://evaluations.ufl.edu. Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open. Summary results of these assessments are available to students at  https://evaluations.ufl.edu.

Class Attendance Policy  Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found in the online catalog at:  https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx.

Academic Honesty  The work you submit for this course must be your own. It must be original for this course. You must never use direct or paraphrased material from any source, including Web sites, without attribution. You may not submit anything that you wrote for another class, or that you wrote as a volunteer or intern. You may not submit anything that was written for any purpose other than the given assignment.

UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code.

On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The Honor Code (http://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/) specifies a number of behaviors that are in violation of this code and the possible sanctions.

Furthermore, you are obliged to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor of TAs in this class. You can review UF’s academic honesty guidelines in detail at:
http://www.dso.ufl.edu/judicial/procedures/honestybrochure.php

Any time you complete an assignment for this course you will clearly attribute the source of your information, including information obtained from organizations’ Web sites or internal documents. You cannot copy anything word for word, regardless of the source without putting quotes around it and attributing the source.
Grading  No extra credit assignments will be available. All assignments are due on the specified dates. Any assignment turned in late will be assessed penalty points per calendar day. Exceptions consistent with UF policies are allowed. Academic honesty is expected on all assignments and exams. Cheating or violations of the academic honor code will not be tolerated.

Grade components  Final grades will be rounded up IF above .5 (For example, an 89.5 is an A-; an 89.2 is a B+)

Discussions  You should cite lecture and readings in your discussion posts, when applicable. To receive full credit, you must submit thoughtful comments in response to the posts from two other classmates.

Exercises/Assessments  The exercises are designed so that students apply concepts learned in lecture and lessons to hands-on projects. Late assignments will receive an automatic grade reduction of 10 points every 24 hours (or portion thereof) beyond the time they are due. So if it’s an hour late, it’s a reduction of ten points. If it’s 13 hours late, it’s a reduction of ten points…

Quizzes  Quizzes are based on lectures and readings (unless otherwise noted). THERE ARE NO MAKEUP QUIZZES. Please do not email us and ask to make up a quiz! The lowest two quiz scores will be dropped.

Final Project  The final project will consist of creating a mood board and style guide for your personal brand. You will then adhere to the style guide when creating a formatted resume in Adobe InDesign and a portfolio website in WordPress
