## **TEXTBOOK**

Required text: Beth Donnelly Egan, Media Planning Essentials with Commspoint media planning tool. Publisher: Stukent. ISBN: 9780996790086. This course uses Media Planning Essentials, a digital textbook that can be accessed at <http://library.stukent.com>

## **Learning Outcomes**

1. Make sense of the evolution of the new digital landscape and its impact on the new consumer purchase decision journey along with an understanding of how communications planning differs from the traditional view of *media* planning.
2. Apply media theory to the quantification of audiences both through the analysis of traditional reach, frequency and Gross Rating Points as well as understand how to create meaningful audience definitions to inform programmatic buying tools (DSPs, SSPs and DMPs\*).
3. Identify the various media measurement tools and select the appropriate tool to target audience analysis including MRI, Simmons, Comscore and Nielsen Cross Platform measurement.
4. Explain how the various media touchpoints are bought and sold in both the traditional and digital media landscape.
5. Create effective media strategies to efficiently reach the target audience. These strategies are developed by incorporating media theory basics, campaign strategy mandates and applying assessment tools such as CPM, CPC, CPA and/or CPE\*\*.

6. Apply the above to the development of effective integrated paid, owned and earned communications plans that truly enable two-way dialogues between consumers and brands.

**Course Requirements:** The course will consist of two examinations; three in-class text and lecture spot quizzes, several class assignments, and a final group project. You will be responsible for the information presented in class handouts, videos, class lectures, and from guest lecturers.

**Exams:** You will take two scheduled exams covering the assigned reading and class lectures. Each examination will pose 40 questions or statements (T/F, and multiple-choice) worth two (1.25) points per question, for a total of 60 points.

1

**Spot Quizzes:** Six spot quizzes will be schedule throughout the semester during the first 15 minutes of class. Each will ask ten questions, statements (T/F and multiple- choice), and problems worth two (1) points per question for a total of 10 points.

**Homework/exercises:** You will receive credit for on-time class assignments. Throughout the semester, you will be required to do homework and make presentations. If you miss an in-class assignment due to an unexcused absence, or if you do not have your materials on the due date, you will not receive points for the task.

**Final Project:** You will work with a team of classmates to create a media plan for a product. More details will be given to you regarding this project in class.

**Guest speakers:** One of the exciting opportunities this course provides is access to professionals who work in media, either as media planners or as media buyers. We will work to schedule 1-2 guest speakers who will discuss their work, and give real-life examples on how to be successful in media planning and buying.

**Attendance: Required.** There is a high correlation between regular class attendance and the best grades. An absence is excused for personal or family health conditions certified by a physician or counselor, a University-recognized holy day, certified University business or participation in a University sporting event, or a certified military obligation. Any other absence must be pre-approved by the instructor one week in advance of the event. In all other cases, you must notify the professor by ten a.m. on the class day that you will be absent to be excused. Makeup work for excused absences will be due the next class. Turn it in the minute you walk in the door; I will not ask for it. Make sure this work is clearly marked.
