Course Grading Policies

Grading Criterion, Late Assignment Policy, and Expectations for Assignments

GRADING CRITERION

Discussion Boards (7 @ 20 pts = 140 points)

Your initial post must be a substantive and scholarly submission. You must reply to at least two other students' posts and your instructor with a substantive and scholarly response. A substantive response adds scholarly value to the discussion by bringing new ideas, research, evidence, etc. to the conversation. Responses such as "I agree," "Ditto," etc., are not acceptable replies and the rules of Netiquette must be followed. Replies are not texts with friends and proper rules of writing must be applied including citations and references (do not plagiarize).

All initial posts for each module discussion board must be submitted by Thursdays at 11:59 PM, ET, so your peers have time to respond to your initial post. Responses to peers are due by Sundays at 11:59 PM, ET. To view the grading criteria rubric for the discussions in the course room, click the Settings icon (the 3 dots on the top-right corner) and select the *Show Rubric* button.

Writing Assignments (10 @ 50pts = 500 points)

Writing assignments are required for several of the modules. Each writing assignment is directly related to the content of the module's objectives and provides learners with the opportunity to identify the relevant concepts and processes used in Inbound Strategies and marketing.

Power Point Presentation (3 @ 100pts = 300 points)

Certifications (2 @ 50 pts =100 points)

Certifications courses should be completed through HubSpot Academy. The certification courses are directly related to the assignments and the content of the course providing learners with an opportunity to gain business and marketing related skills and knowledge.

Final Exam Presentation (1 @ 100 pts = 100 points)

The final exam is the culmination of the entire course enabling learners to create and design the entire content of a Social Media Campaign

Your grade will be calculated based on the following: [Edit the blue content, as necessary.](#)

All letter-graded courses eligible to count toward the graduate degree, except 1000- and 2000-level courses, are used to calculate the cumulative grade-point average. Letter grades of C-, D+, D, D- or E are not considered passing at the graduate level, although the grade points associated with these letter grades are included in grade point average calculations. See the [UF grading policy](#) for more information.

Select CJC and University Policies and Guidelines

Academic Integrity Policy

UF students are bound by The Honor Pledge which states, "We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code." The [Student Honor Code](#), Violation of the Student Honor Code, specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to the appropriate personnel. If you have any questions or concerns, please consult with the instructor or TA's in this class.

Netiquette

Casual style of communication is commonly found in the online environment and students are sometimes tempted to relax their grammar, word choice, syntax (arrangement of words to create well-formed sentences), writing mechanics (capitalization, punctuation, and spelling), and/or professionalism. Keep in mind when communicating with others to be courteous, civil, respectful, and professional. Please remember that you are adult students and professionals—your communication must be appropriate.

Online Attendance Policy

Since the course is online, you should access your course at least four times per week to ensure you do not miss pertinent postings, messages, or announcements. It is imperative that you meet course deadlines and stay active in discussion boards, group projects, etc. If you are experiencing a major illness, absences due to University duties, or other large-scale issues, contact the instructor immediately.

Students are responsible for meeting all academic objectives as defined by the instructor. In general, acceptable reasons for absences include illness, serious family emergencies, special curricular requirements, military obligation, [severe weather conditions](#), [religious holidays](#), and participation in official University activities. Absences from class for court-imposed legal obligations (e.g., jury duty or subpoena) must be excused. [Excused absences](#) must be consistent with university policies in the Graduate Catalog and require appropriate documentation. For additional information, see the [attendance policies](#).

Plagiarism

Plagiarism is unacceptable; especially, in the academic communities. All academic work must be an original work of your own thought, research, or self-expression. Plagiarism includes, but is not limited to, prohibited collaboration, consultation, submission of academic work that has been purchased or obtained (see the [UF Policy: Student Conduct Violation](#)). Remember that plagiarism is not acceptable in any of your work including all discussion board posts, journal entries, wikis, and other written and oral presentation assignments. Always cite your sources!

Software Use

All faculty, staff, and students of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate. We, the members of the University of Florida community, pledge to uphold ourselves and our peers to the highest standards of honesty and integrity.

Notification to Students of FERPA Rights

There are federal laws ([FERPA](#)) protecting your privacy with regards to grades earned in courses and on individual assignments.

Video Conferencing Etiquette

Video conferencing is an excellent tool to interface with your peers and instructor(s) and there are also netiquette expectations to ensure that all participants are respected and treated with civility. Please make sure that you follow all of the netiquette and [etiquette](#) expectations including the following:

1. Be punctual and courteous.
2. Position your camera at eye level with good lighting.
3. Show respect and professionalism by dressing business casual or business professional.
4. Make sure your background is in a proper setting with minimal distractions.
5. Mute your microphone when you are not speaking.

Writing Style

In order to meet the academic rigor and standards of a graduate program, all students are required to use the Publication Manual of the American Psychological Association (APA) 7th Edition style in their courses. The APA 7th Edition Manual has a plethora of guidelines that includes scholarly writing, publishing principles, elements and format for your papers, writing style and grammar, bias-free language guidelines, mechanics of style, intext citing and references, etc. For additional information on notable changes, see [changes between APA 6th Edition and APA 7th Edition](#).
