Course Description & Prerequisites

In this course, the students will learn to use common research statistical methods utilized within the communications and media industries. The overall goals of the course are for students to develop an understanding of statistical principles and concepts as well as develop the ability to perform statistical tests within various research contexts. The students will work on critically evaluating the statistical tests and results of empirical studies to assess whether the findings have relevant implications for individual research and/or industry projects.

Course Pre-Requisites / Co-Requisites: None

Course Delivery Mode & Time Commitment

This is a fully online course and you must log into Canvas with your Gatorlink username and password to access the materials and assignments. The course is organized into modules with due dates. Unless otherwise specified, each module begins on Monday at 12:00 AM, ET, and ends on Sunday at 11:59 PM, ET. The course begins with the Course Orientation (START HERE) Module, which will familiarize you with the course.

Time Commitment

Expect to spend between 10 to 20 hours per week, per course, watching or attending lectures, reading, working on assignments and projects, and engaging in discussions.

Course-Level Objectives

Upon successful completion of this course, students will be able to:

1. Explain statistical terms and concepts. (CO: 1)
2. Examine statistical tests for accuracy. (CO: 2)
3. Evaluate the statistical components of research articles. (CO: 3)

4. Use SPSS to perform statistical tests. (CO: 4)

(CO = Course-Level Objective)

Textbooks & Materials

Required Course Textbook(s)

Byrne, B.M. (2016). [*Structural equation modeling with AMOS: Basic concepts, applications, and programming, third edition.*](#) Routledge. E-book available via UF Libraries page (VPN required).

Minimum Technology Requirements & Computer Skills

COMPUTER REQUIREMENTS

Basic Computer Specifications for Canvas

- [Specifications](#)
- Reliable Web Browser: Login to Canvas and make sure your Internet browser is compatible.

Peripherals

- A backup option should be available to minimize any loss of work such as an external hard drive, a USB drive, cloud storage, etc.

Hardware

- Dependable computer.
- Computer speakers.
- Headset with microphone.
- Webcam.

Software

- [Microsoft Office 365](#).
- [UF Apps](#) – access UF software applications from any device from any location, at any time.
- Canvas Mobile App: Download instructions for [iOS device](#) or [Android device](#).

- [Adobe Reader](#)
- <https://ufl.zoom.us/>
- [SPSS](#) (You will need to Login to UF.)

Internet Connection

- Recommended: Broadband Internet connection with a speed of 4 Mbps or higher.
- To function properly, Canvas requires a high-speed Internet connection (cable modem, DSL, satellite broadband, T1, etc.). The minimum Internet connection speed to access Canvas is a consistent 1.5 Mbps (megabits per second) or higher.
- [Check your Internet speed here.](#)

Subscriptions, Plug-Ins, and Other Tools

- [Adobe Flash Player](#) (Good until the Microsoft update December 31, 2020.)
- [JAVA](#)

MINIMUM COMPUTER AND DIGITAL INFORMATION LITERACY SKILLS REQUIREMENTS

The general and course-specific computer and digital information literacy skills you must have to succeed in the course include, but are not limited to, the following:

- Accessing the Internet.
- Using Canvas.
- Using email with attachments.
- Creating and submitting files in processing program such as Microsoft Office Tools.
- Copying and pasting functions.
- Downloading and installing software.
- Using presentation, graphics, and other programs.
- Posting and commenting in an online discussion.
- Searching the University of Florida library and websites.

Technical Support

In the event that you have technical difficulties with your course, please contact the [UF Computing Help Desk](#) either by filling out an [online request form](#) or calling 352-392-4357 - select option 1. The Help Desk is located on the ground floor of the Hub on the UF campus.

If your technical difficulties caused you to miss a due date, you **MUST** report the problem to the Help Desk and then email your instructor. Include the ticket number that you are given from the Help Desk in an email to the instructor to explain the late assignment/quiz/test.

IT Support

For all Technical assistance questions please contact the UF Computing Help Desk:

Phone: 352-392-HELP (4357)

Email: helpdesk@ufl.edu

Please Note

Your instructor is not able to handle technological issues or answer questions related to computer issues. If a problem of this nature arises that causes you to miss an assignment, you must provide your Help Desk ticket number to the instructor in order to receive an extension.

Course Grading Policies

Grading Criterion, Late Assignment Policy, and Expectations for Assignments

GRADING CRITERION

Assignments (70%)

An assignment will be due every other week. Assignments can consist of any combination of the four following components:

1. Short answer questions based on the reading and lectures.
2. A short presentation (<10 minutes, recorded on Zoom) to present the statistical component of a published research paper (more detailed instructions to follow).
3. Short answer questions based on the statistical component of a published research paper.
4. Performing a statistical test in SPSS.

Short answer questions and SPSS outputs will be graded by points/percentages based on number of correct questions.

Quizzes (20%)

There will be two quizzes consisting of short answer questions based on all material covered in readings, lectures, and homework assignments. The quizzes will be available in Canvas for at least four days so that you can take the 2.5-hour quiz at a time that best suits your schedule. The quizzes will be open “everything” (open notes, open book, open lecture, etc.).

Final Presentation (10 %)

You will formulate two of your own research questions and perform two different statistical analyses using the data in either of two SPSS sample datasets (telco or car sales) from among the following tests:

- Factorial ANOVA
- Repeated measures ANOVA
- ANCOVA
- Factorial ANCOVA
- MANOVA
- Factorial MANOVA
- MANCOVA
- Factorial MANCOVA
- Multiple Linear Regression
- Exploratory Factor Analysis (Not with the telco dataset.)
- Multiple Logistic Regression

You will record a 20-minute presentation (and turn in a PowerPoint presentation) that includes the following:

1. Brief background of your analysis.
2. Two appropriate research questions for main effects; if doing a factorial analysis, list the research question(s) for interactions as well.

3. Confirmation that the tests that you chose was appropriate given the number and levels of measurement for independent variables, dependent variables, and covariates, as well as the purpose of the tests (group differences, underlying structure, predictive model, etc.)
4. Confirmation that the assumptions for doing the particular statistical tests are met.
5. The results (either relevant SPSS output tables or figures and tables created by you.)
6. Your interpretation of the results; this should include answers to all of the research questions.

You can arrange to meet with me (or email me) to ensure that you are using the appropriate statistical test for your research questions. You are free to record your presentation on any platform that you desire, as long as I can view it. Your presentation should include video as well as audio and is intended for a professional audience.

[Changes in the APA 7th Edition](#)

Expectations for Writing Assignments: Writing Style

In order to meet the academic rigor and standards of a graduate program, all students are required to use the Publication Manual of the American Psychological Association (APA) 7th Edition style in their courses. The APA 7th Edition Manual has a plethora of guidelines that includes scholarly writing, publishing principles, elements and format for your papers, writing style and grammar, bias-free language guidelines, mechanics of style, in-text citing and references, etc. For additional information on notable changes, see changes between APA 6th Edition and APA 7th Edition.

Your grade will be calculated based on the following:

Assignments/Assessments	Points	Weight (%)
Course Orientation: These assignments are required; however, they not count towards the final grade. <ul style="list-style-type: none"> • Student Introduction • Course Evaluation 	0	0%
7 Assignments <ul style="list-style-type: none"> • Worth up to 10 points each. 	70	70%
2 Quizzes <ul style="list-style-type: none"> • Worth up to 10 points each. 	20	20%
1 Final Reflection Paper <ul style="list-style-type: none"> • Worth up to 10 points. 	10	10%
TOTAL	100	100%

Grade	Percentage
A	92.5-100%
A-	89.5-92.4%
B+	86.5-89.4%
B	82.5-86.4%
B-	79.5-82.4%
C+	76.5-79.4%
C	72.5-76.4%
C-	69.5-72.4%
D+	66.5-69.4%
D	62.5-66.4%

D-	59.5-62.4%
E	0 – 59.4%

The only passing grades for graduate students are A, A-, B+, B, B-, C+, C, and S. Grades of B-, C+ or C count toward a graduate degree if an equal number of credits in courses numbered 5000 or higher have been earned with grades of B+, A- and A, respectively. Grade points are not given for S and U grades; S and U grades are not used to calculate grade point averages. All letter-graded courses eligible to count toward the graduate degree, except 1000- and 2000-level courses, are used to calculate the cumulative grade-point average. Letter grades of C-, D+, D, D- or E are not considered passing at the graduate level, although the grade points associated with these letter grades are included in grade point average calculations. See the [UF grading policy](#) for more information.

LATE ASSIGNMENT POLICY

Late assignments will not be accepted unless it is a [University excused absence](#) as stated in the attendance policies. **No late work will be accepted for final projects or work due in the final week of class due to the university grading deadlines.** If potential issue arise concerning submitting final work, students should contact their instructors before deadlines to discuss the possibility of an Incomplete Grade Contract.

1. Late Assignment Grade Reductions
 - a. 0-24 Hours Late: 10% reduction in grade.
 - b. Over 24 Hours (24 hours and 1 minute) to 7 Calendar Days Late: 20% reduction in grade.
 - c. After the 7th Calendar Day: Work will not be accepted.
2. Late Discussions will not be accepted.

EXPECTATIONS FOR ASSIGNMENTS

- **Missed Live Lectures** - In courses where there are live weekly or bi-weekly lectures, a recording of the lecture will be provided if you cannot attend. You will be responsible to "make-up" the missed lecture by viewing the recorded lecture and completing a required assignment.
- **Course Evaluation**
Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at <https://gatorevals.aa.ufl.edu/students/>. Students will be notified when the evaluation period opens, and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via <https://ufl.bluera.com/ufl/>. Summaries of course evaluation results are available to students at <https://gatorevals.aa.ufl.edu/public-results/>.

Accessibility Policy

Students requiring reasonable access to services and resources required by the Americans with Disabilities Act of 1990, Section 504 of the Rehabilitation Act of 1973, and other applicable federal and state regulations, please access [UF Accessibility](#) for all options available to you. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodations. Please register early!

Communication Policy

EXPECTATIONS FOR STUDENTS (

Announcements

You are responsible for reading all announcements posted in the courseroom each time you log in.

Email

You are responsible for reading all your course email and responding in a timely manner (within 24 hours).

Video Conferencing

You are responsible for attending course video conferencing meetings. If you cannot attend the video conferencing meeting, please advise the instructor and/or your team at least 24 hours in advance (exceptions can be made for legitimate emergencies). You are expected to demonstrate netiquette and etiquette communication expectations.

Course-Related Questions

Post course-related questions to the FAQ discussion board. This allows other participants with the same question to benefit from the responses. Also, make sure you review this forum prior to posting a question. Someone may have already asked and answered the question in previous posts.

INSTRUCTOR'S PLAN FOR CLASSROOM RESPONSE TIME AND FEEDBACK

Email Policy

Except for weekends, holidays, and University breaks, the instructor will typically respond to emails within 48 hours. You should ask course-related questions in the FAQ discussion board. If you have questions of a personal nature, please email the instructor.

Assignment Feedback Policy

The instructor will provide feedback on submitted assignments within one week of the submission date. Some assignments may require a longer review period, which the instructor will communicate to you.

Course-Related Questions Policy

Except weekends and holidays, the instructor will generally answer questions within 48 hours.

Video Conferencing

The instructor will provide any information on required video conferencing within the courseroom.

Electronic Communication Policy

In addition to the University's policy, please consider the following:

- Privacy, confidentiality, and security in all electronic communications. See [Information Security](#).
- All electronic communication resources must be used for the course and in alignment with to the CJC Online and University mission. See the [Acceptable Use Policy](#).
- Prohibited use of false identity, false identity pseudonyms, or anonymous (sender's name or electronic identification is hidden).
- Prohibited online access without consent.
- Prohibited disruption of services including introducing computer contaminants (viruses).
- Prohibited [harassment](#) of any kind.

Privacy

If your course includes live synchronous meetings, the class sessions will all be audio visually recorded for students in the class to refer back and for enrolled students who are unable to attend live. Students who participate with their camera engaged or utilize a profile image are agreeing to have their video or image recorded. If you are unwilling to consent to have your profile or video image recorded, be sure to keep your camera off and do not use a profile image. Likewise, students who un-mute during class and participate orally are agreeing to have their voices recorded. If you are not willing to consent to have your voice recorded during class, you will need to keep your mute button activated and communicate exclusively using the "chat" feature, which allows students to type questions and comments live.

Please see UF's Information Technology [policies](#) for additional information.

Select CJC and University Policies and Guidelines

Academic Integrity Policy

UF students are bound by The Honor Pledge which states, "We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code." The [Student Honor Code](#), Violation of the Student Honor Code, specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to the appropriate personnel. If you have any questions or concerns, please consult with the instructor or TA's in this class.

Netiquette

Casual style of communication is commonly found in the online environment and students are sometimes tempted to relax their grammar, word choice, syntax (arrangement of words to create well-formed sentences), writing mechanics (capitalization, punctuation, and spelling), and/or professionalism. Keep in mind when communicating with others to be courteous, civil, respectful, and professional. Please remember that you are adult students and professionals—your communication must be appropriate.

Online Attendance Policy

Since the course is online, you should access your course at least four times per week to ensure you do not miss pertinent postings, messages, or announcements. It is imperative that you meet course deadlines and stay active in

discussion boards, group projects, etc. If you are experiencing a major illness, absences due to University duties, or other large-scale issues, contact the instructor immediately.

Students are responsible for meeting all academic objectives as defined by the instructor. In general, acceptable reasons for absences include illness, serious family emergencies, special curricular requirements, military obligation, [severe weather conditions](#), [religious holidays](#), and participation in official University activities. Absences from class for court-imposed legal obligations (e.g., jury duty or subpoena) must be excused. [Excused absences](#) must be consistent with university policies in the Graduate Catalog and require appropriate documentation. For additional information, see the [attendance policies](#).

Plagiarism

Plagiarism is unacceptable; especially, in the academic communities. All academic work must be an original work of your own thought, research, or self-expression. Plagiarism includes, but is not limited to, prohibited collaboration, consultation, submission of academic work that has been purchased or obtained (see the [UF Policy: Student Conduct Violation](#)). Remember that plagiarism is not acceptable in any of your work including all discussion board posts, journal entries, wikis, and other written and oral presentation assignments. Always cite your sources!

Software Use

All faculty, staff, and students of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate. We, the members of the University of Florida community, pledge to uphold ourselves and our peers to the highest standards of honesty and integrity.

Notification to Students of FERPA Rights

There are federal laws ([FERPA](#)) protecting your privacy with regards to grades earned in courses and on individual assignments.

Video Conferencing Etiquette

Video conferencing is an excellent tool to interface with your peers and instructor(s) and there are also netiquette expectations to ensure that all participants are respected and treated with civility. Please make sure that you follow all of the netiquette and [etiquette](#) expectations including the following:

1. Be punctual and courteous.
2. Position your camera at eye level with good lighting.
3. Show respect and professionalism by dressing business casual or business professional.
4. Make sure your background is in a proper setting with minimal distractions.
5. Mute your microphone when you are not speaking.

Writing Style

In order to meet the academic rigor and standards of a graduate program, all students are required to use the Publication Manual of the American Psychological Association (APA) 7th Edition style in their courses. The APA 7th Edition Manual has a plethora of guidelines that includes scholarly writing, publishing principles, elements and format for your papers, writing style and grammar, bias-free language guidelines, mechanics of style, intext citing and references, etc. For additional information on notable changes, see [changes between APA 6th Edition and APA 7th Edition](#).
