**ADV4941 Overview**

*Catalog description: Students participate in a structured internship program that is approved by the department as an immersion experience related to the field of advertising. Requires 65 hours of work for each credit hour and submission of electronic portfolio including a culminating project from the internship. (A-E)*

An internship is an important part of career preparation. Your internship should be used to help you identify a career path in advertising, and to help you determine what skills you'll need to develop to be successful after graduation. A successful internship experience enables you to gain professional work experience that can be leveraged in future job interview situations, and to build your resume, LinkedIn profile, and e-portfolio.

## Credit & Internship Hours

Students may enroll in ADV 4941 for 1-3 credit hours. Credits are earned by working a set number of documented hours at your internship. See table below for a list of credits and their corresponding hours.

Credits	Hours
1	65
2	130
3*	195

Students must serve on their internships for a minimum of six consecutive weeks working a minimum of three days within each week. Students must plan their weeks around holidays (e.g., Labor Day, Thanksgiving, Spring Break, July 4th, etc.). Internships requiring students to work more than 40 hours a week will not be approved.

*\*NOTE: All students wishing to enroll in ADV4941 to fulfill the immersion experience requirement for the Persuasive Messaging track MUST enroll for (3) credits AND work (20) hours per week for a minimum of (8) consecutive weeks (speak to the internship instructor for summer minimum hour requirements).*

## My Role:

My role as instructor is to identify critical issues related to the course and to help maximize the value of your professional internship experiences. Feedback is essential for you to have confidence that you are completing all material and for me to determine that you are meeting all course requirements. At all times it is expected that you will welcome and respond professionally to assessment feedback.

## Course Requirements

- **Weekly report submissions**  
During your internship, you must submit a weekly report to account for your internship activities.

- **NOTE: Weekly reports must be turned in EVERY WEEK AND ON TIME whether you worked that week or not. If more than (3) weekly reports are submitted late, a grade reduction will be taken for this portion of the course.**

Each week begins on Monday and ends on the following Sunday. Reports are due on the next Monday by 11:59 p.m.

- **NOTE: A grade reduction for the weekly report component of this class will be taken if more than (3) weekly reports are submitted late.**

Submit your weekly reports under the “Assignments” section in Canvas. A report template is available within each assignment on Canvas.

Students must be responsible for fully completing required information on weekly reports. Students are also responsible for keeping copies of their reports. Students must complete required hours every week. If required hours for a reporting week are not met, hours must be made up during future weeks.

- **Why weekly reports are important:** It's really easy to forget all of the amazing things you'll do this semester! These professional experiences have tremendous potential value in job interview situations. They offer concrete examples to an interviewer of how you'd handle common day-to-day professional challenges if hired.
- **If you do NOT work during a given week,** submit a “text entry” for your Weekly Report (assignment) on Canvas for that week. Please write one of the following (3) messages for your “text entry.”
  1. Internship will begin on (fill in the date).
  2. Off Week – Did not work any hours
  3. Internship completed on (fill in the date).

- **Grading weekly reports**

Weekly reports will be reviewed on Canvas within one week. Reports will be graded for content based on a rubric posted on Canvas. Each weekly report is worth 20 points.

Students will receive grade deductions on their weekly report if it is not professional (e.g., sloppy, written with poor or incorrect grammar, containing misspelled words) or not complete (e.g., descriptions of daily activities are vague, not specific or too brief).

Students will receive a full letter grade deduction for the semester if more than (3) weekly reports are submitted late.

- **Tracking hours through weekly reports**

Weekly reports will also be used to track the amount hours worked each week during the semester. A “grade” indicating the number of hours worked out of 40 maximum hours allowed will be recorded. For example, if a student works 10 hours, a “10/40” will be entered on Canvas. *These “grades” will be used to calculate total hours at the end of the term and do not represent grade percentages.*

- **E-portfolio with Reflective Writing Assignment**

Prior to the start of the internship or within the first four weeks of the term, the student and the intern coordinator will review the student’s portfolio (portfolios are started in ENC 3254) and develop goals and clear expectations for what the student will add to the portfolio as a result of the internship. This portfolio entry must be submitted by 11:59 p.m. on the Wednesday before finals week.

- **Final personal internship summary report**

At the end of your internship you are responsible for the submission of your final personal summary report. This should be a 2-3 page evaluation of the internship commenting on its value to you and its potential value to future interns. An example final report is available in the "Files" section of Canvas.

This report must be submitted no later than 5:00 p.m. on the Wednesday of final examination week. For summer semesters this is typically the last Wednesday of the term.

- **Final evaluation of your performance by your supervisor**

You are also responsible for ensuring that your supervisor completes and submits a final evaluation on your performance for the semester

Your supervisor will be emailed a link to an evaluation form near the end of the term. Please be sure that we have your supervisor's correct email address on file.

This report must be submitted no later than 5:00 p.m. on the Wednesday of final examination week. For summer semesters this is typically the last Wednesday of the term.

Our individual Zoom meetings may be audio visually recorded

- If you are unwilling to consent to have your profile or video image recorded, be sure to keep your camera off and do not use a profile image.
- Likewise, students who un-mute during class and participate orally are agreeing to have their voices recorded.
- If you are not willing to consent to have your voice recorded, you will need to keep your mute button activated and communicate exclusively using the "chat" feature, which allows students to type questions and comments live.
- As in all courses, unauthorized recording and unauthorized sharing of recorded materials is prohibited.

### **Grading & Make Up Policy:**

We will follow UF Attendance Policies as it pertains to attending class, assigned work, quizzes, and exams. Unless you notify me in advance and have a documented reason for why you cannot complete an assigned element of this class in a timely manner it will not be accepted.

Homework that is not submitted by the posted due date and time will incur a 10% grade reduction for each 24-hour period that it is late, up to five days. After five days, no late homework will be accepted.

Missing a quiz, activity, or exam without permission results in a zero. Under circumstances where the student misses a quiz, activity or exam due to unanticipated reasons, students will have 2 business days (i.e., 48 weekday hours) to inform the instructor and to negotiate a make-up opportunity. In either case, valid, verifiable documentation supporting the reason for the absence is required (doctor's note, accident report).
