## Course Grading Policies

### Grading Criterion, Late Assignment Policy, and Expectations for Assignments

#### GRADING CRITERION

##### Writing Assignments (40%)

You must submit all assignments for each module on Saturdays at 11:59 pm, EST. Each assignment is meant to support the work towards your final written report and Oral presentation to the client that will take place at the end of the course. To view the grading criteria rubric for the assignments, click the Settings icon (the three dots on the top-right corner) and select the *Show Rubric* button.

##### Readings Assessment (10%)

The students will choose five of the required readings assigned during this term and develop a 2-page essay that explains how each reading contributed to their design or development of an analysis plan for this project. Please be specific in identifying the ideas and principles that have impacted the most your thought process and why, and how you incorporated them into your research.

##### Final Presentation (20%)

The student will deliver a presentation to the Client tailored for an executive audience. The Presentation must include a summary of the methodology used, a discussion of the findings and actionable recommendations related to the Client's the audience and project objectives based on the data. The students will address more than one layer of the problem and offer a comprehensive solution. This Presentation must also communicate the role of analytics in organizational success and the benefits of implementing the proposed solution.

### Final Report (20%)

The student will submit the final written Report two days after the Presentation to the Client. Your last report sections may vary depending on the project and its objectives. You will be expected to report on the most relevant sections depending on your project. Below is a list of the sections that are frequently scheduled as part of a comprehensive final report.

- Key Takeaways
- Project Objectives
- Project Summary
- Target Market – its strengths and weaknesses
- Strong Performers
- Overlooked Opportunities
- Recommendations
- Methods Overview with Criteria
- Supplemental Material.

Make sure that you use proper grammar, word choice, syntax (arrangement of words to create well-formed sentences), and writing mechanics (capitalization, punctuation, and spelling) in your journal as well as proper citing and referencing of all your sources.

### Project Meetings (10%)

The purpose of these live meetings with your Instructor is to discuss the project's progress and avenues for research, receive feedback, and define timelines. They will be approximately 30- minute duration each. In addition to these, there will be a total of three meetings with the organization during weeks 2, 6, and 11. These meetings will establish the objectives for the project, provide a progress report, and serve to deliver the final Presentation, respectively.

Your grade will be calculated based on the following:

The only passing grades for graduate students are A, A-, B+, B, B-, C+, C, and S. Grades of B-, C+ or C count toward a graduate degree if an equal number of credits in courses numbered 5000 or higher have been earned with grades of B+, A- and A, respectively. Grade points are not given for S and U grades; S and U grades are not used to calculate grade point averages. All letter-graded courses eligible to count toward the graduate degree, except 1000- and 2000-level courses, are used to calculate the cumulative grade-point average. Letter grades of C-, D+, D, D- or E are not considered passing at the graduate level. However, the grade points associated with these letter grades are included in grade point average calculations. See the [UF grading policy](#) for more information.

### LATE ASSIGNMENT POLICY

Late assignments will not be accepted unless it is a [University excused absence](#) as stated in the attendance policies. **No late work will be accepted for final projects or work due in the final week of class due to the university grading deadlines.** If potential issues arise concerning submitting final work, students should contact their instructors before deadlines to discuss the possibility of an Incomplete Grade Contract.

1. Late Assignment Grade Reductions
  - a. 0-24 Hours Late: 10% reduction in grade.

Please see UF's Information Technology [policies](#) for additional information.

## Select CJC and University Policies and Guidelines

### Academic Integrity Policy

UF students are bound by The Honor Pledge which states, "We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code."

The [Student Honor Code](#), Violation of the Student Honor Code, specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to the appropriate personnel. If you have any questions or concerns, please consult with the instructor or TA's in this class.

### **Netiquette**

Casual style of communication is commonly found in the online environment and students are sometimes tempted to relax their grammar, word choice, syntax (arrangement of words to create well-formed sentences), writing mechanics (capitalization, punctuation, and spelling), and/or professionalism. Keep in mind when communicating with others to be courteous, civil, respectful, and professional. Please remember that you are adult students and professionals—your communication must be appropriate.

### **Online Attendance Policy**

Since the course is online, you should access your course at least four times per week to ensure you do not miss pertinent postings, messages, or announcements. It is imperative that you meet course deadlines and stay active in discussion boards, group projects, etc. If you are experiencing a major illness, absences due to University duties, or other large-scale issues, contact the instructor immediately.

Students are responsible for meeting all academic objectives as defined by the instructor. In general, acceptable reasons for absences include illness, serious family emergencies, special curricular requirements, military obligation, [severe weather conditions](#), [religious holidays](#), and participation in official University activities. Absences from class for court-imposed legal obligations (e.g., jury duty or subpoena) must be excused. [Excused absences](#) must be consistent with university policies in the Graduate Catalog and require appropriate documentation. For additional information, see the [attendance policies](#).

### **Plagiarism**

Plagiarism is unacceptable; especially, in the academic communities. All academic work must be an original work of your own thought, research, or self-expression. Plagiarism includes, but is not limited to, prohibited collaboration, consultation, submission of academic work that has been purchased or obtained (see the [UF Policy: Student Conduct Violation](#)). Remember that plagiarism is not acceptable in any of your work including all discussion board posts, journal entries, wikis, and other written and oral presentation assignments. Always cite your sources!

### **Software Use**

All faculty, staff, and students of the University are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against University policies and rules, disciplinary action will be taken as appropriate. We, the members of the University of Florida community, pledge to uphold ourselves and our peers to the highest standards of honesty and integrity.

### **Notification to Students of FERPA Rights**

There are federal laws ([FERPA](#)) protecting your privacy with regards to grades earned in courses and on individual assignments.

### **Student Guidelines for Courseroom Challenges**

Student with questions regarding course content such as assignments, assessments, instructional materials, lectures, meetings, course objectives, course module objectives, or other areas of the course, please adhere to the following guidelines:

1. You should first *approach the faculty member who is teaching the course* to ask for clarifications regarding the course assignments, assessments, materials, lectures, meetings, etc.

- i) In the Course Orientation Module, you will find the Frequently Asked Questions (FAQ) page which has been placed there for the purpose of addressing course questions, issues, and challenges.
  - ii) In the Course Orientation Module Welcome page, under Meet your Instructor, you find the faculty members email and directions for requesting an appointment where you can address any concerns and/or questions.
2. If after meeting with *the faculty member teaching the course* you are still not clear on the course assignments, assessments, materials, lectures, meetings, etc., then the next step would be to contact online advising ([onlineadvising@jou.ufl.edu](mailto:onlineadvising@jou.ufl.edu)) for additional guidance.

### Video Conferencing Etiquette

Video conferencing is an excellent tool to interface with your peers and instructor(s) and there are also netiquette expectations to ensure that all participants are respected and treated with civility. Please make sure that you follow all of the netiquette and [etiquette](#) expectations including the following:

1. Be punctual and courteous.
2. Position your camera at eye level with good lighting.
3. Show respect and professionalism by dressing business casual or business professional.
4. No smoking or drinking alcoholic drinks.
5. Make sure your background is in a proper setting with minimal distractions.
6. Mute your microphone when you are not speaking.

### Writing Style

To meet the academic rigor and standards of a graduate program, all students are required to use the Publication Manual of the American Psychological Association (APA) 7<sup>th</sup> Edition style in their courses. The APA 7<sup>th</sup> Edition Manual has a plethora of guidelines that includes scholarly writing, publishing principles, elements and format for your papers, writing style and grammar, bias-free language guidelines, mechanics of style, intext citing and references, etc. For additional information on notable changes, see [changes between APA 6<sup>th</sup> Edition and APA 7<sup>th</sup> Edition](#).
