Attendance:

Attendance is necessary for presentations and group feedback; you are expected to attend lectures. Excused absences include family emergencies, illness, jury duty, military service, and professional conferences where you are presenting a paper, speaking on a panel, or accepting an award. All work must be turned in on time unless other arrangements are made with me. Arriving late or leaving early is disruptive to creating a critical learning environment. Please be on time and remain until class is dismissed. Your participation in class not only benefits you, but everyone else in the class. We need you there for the entirety to elevate the experience for everyone.

Be Respectful:

We will be using technology on many different platforms throughout the course for myriad reasons, however, turning off your cell phone and laptop during lectures enhances the learning environment for everyone. Please limit any unnecessary disruptions or distractions during class.

Grading:

Grading for this course will be at times, subjective. I will do my best to be fair and balanced. Your effort and participation in the learning process are the most critical components to your grade. Your final grade will depend mainly on the quality of work you hand in with special emphasis on your improvement throughout the course. Assignments are due at 4pm on each day of class. Late assignments drop one letter grade per “day” late.

Grading Scale

The minimum score to pass this course is a C, or 72.5. Scores are rounded to the nearest whole point: 89.4 rounds down to 89 (B+) while 89.5 rounds up to 90 (A-).

Honesty, Integrity and Ethics:

UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The Honor Code (<http://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/>) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. Student conflict and conflict resolutions guidelines can be found at <http://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/>. If you have any questions or concerns, please consult with me.

Diversity, Inclusion and Equity

The University of Florida’s College of Journalism and Communications Department of Journalism embraces a commitment toward an intellectual community enriched and enhanced by diversity along a number of dimensions, including race, ethnicity and national origins, gender and gender identity, sexuality, class and religion. We expect each of our journalism courses to help foster an understanding of the diversity of peoples and cultures and of the significance and impact of mass communications in a global society.

I would like to create a learning environment for my students that supports a diversity of thoughts, perspectives and experiences, and honors your identities (including race, gender, class, sexuality, religion, ability, etc.) To help accomplish this:

- If you have a name and/or set of pronouns that differ from those that appear in your official UF records, please let me know!
- If you feel like your performance in the class is being impacted by your experiences outside of class, please don't hesitate to come and talk with me. If you prefer to speak with someone outside of the course, please visit: <https://www.jou.ufl.edu/diversity-and-inclusion/>
- I (like many people) am still in the process of learning about diverse perspectives and identities. If something was said in class (by anyone) that made you feel uncomfortable, please talk to me about it.

Please contact me with any concerns regarding inclusion and equity, including accessibility of equipment and software.

COVID Considerations:

We plan to have face-to-face instructional sessions to accomplish the student learning objectives of this course. In response to COVID-19, the following policies and requirements are in place to maintain your learning environment and to enhance the safety of our in-classroom interactions.

- If you are experiencing COVID-19 symptoms ([Click here for guidance from the CDC on symptoms of coronavirus](#)), please use the UF Health screening system and follow the instructions on whether you are able to attend class. [Click here for UF Health guidance on what to do if you have been exposed to or are experiencing Covid-19 symptoms.](#)
