

**Social Journalism Ethics Issues to Include in Curriculum
Faculty Roundtable with Mark Little
Sept. 18, 2014**

Verification Issues	Contributor Credits	Safety Considerations	Cultural Considerations	Legal Considerations
Authenticity	Moral obligations	Endangering citizen journalists	Does “objectivity” still work? What about transparency?	Copyright
Analytics/visualization/ mapping	Legal obligations	How do we take care of our journalists who view disturbing video?	Work flows in newsrooms	Creative commons issues
Debunking journalism hoaxes	Financial obligations	Protection of sources/ confidentiality/anonymity	Individual social media accounts (personal vs. professional)	Fair use implications
Motivations of UGC contributors			Understanding media production	Manipulation of UGC
Being first vs. being right			Framing stories	
			Commercial usage/native advertising	
			Our role in creating social good?
