to take

MMC 7980

Number of credits:

Semester and year of study:

STUDENT: I, the undersigned student, will obtain the required signatures. I will then submit this form and description to the Graduate Division.

Signature of Student

Date Signed

DESCRIPTION OF THE WORK TO BE DONE: Please write a description of the work to be completed this semester in the space below. If additional space is needed, please staple the attachment to this form.

The description is required and must be completed before the chairperson signs this form. The chairperson's signature indicates approval of the description.

--SEE BACK OF PAGE FOR REQUIRED SIGNATURES--

COMMITTEE CHAIR / ADVISOR: I, the undersigned instructor, agree to be fully responsible for this graduate student's study under the general guidelines concerning MMC 7980, as set forth in the Graduate Division's Doctoral Handbook, Distribution Requirements. I understand that my responsibilities include:

- I have worked out with the student **an explicit description of duties for the course**, frequency of meetings and how the work will be graded. The description is written above and/or stapled to this authorization form.
- I will meet with the student regularly to guide the work throughout the semester.
- I will evaluate the work and assign a grade at the end of the semester. MMC 7980 receives an **S/U grade**.

The proposed course meets requirements set out by the Graduate Committee.

Please don't sign until description is included.
