

Department of Journalism Meeting
February 6, 2017

Attending: Calvert, Foley, Freeman, Lewis, Kalyanaraman, Kaplan, McAdams,
Rodgers, Sheehan, Spiker, Waddell, Walsh-Childers

Meeting opens at 10:45 a.m.

Minutes from 12/5/2016 approved.

Lewis reviewed Faculty Senate topic of security cameras in common areas of Weimer, not in offices. Unsure of purpose (would hook into police department). Sheehan asked if cost had been discussed or if other academic buildings have them. Calvert said unopposed to hallway cameras but should not be monitored all the time, just on as-needed basis. Walsh-Childers objected on money grounds if cost high.

Spiker recapped Advisory Council visit. Small resume workshop (but members happy with interaction). Liked faculty 2-minute recaps. Ideas for next time: INC, Media Effects lab, small sessions with members (not just one-on-ones). Will have some new members by next time. Spiker presented ideas for council members to be added. McAdams reported one member happy with more diverse experiences.

Spiker, Sheehan, McAdams updated on searches.

Meeting adjourned at 11:10 a.m.

Respectfully submitted,
Ted Spiker
