Minutes from 4/17/2017 approved.

Spiker reviewed proposed plan for hiring that was developed by chairs—for teacher-scholar and lecturer positions.

Proposal is one search committee for five tenure-track positions. Each department has one lecturer search. Phase two would be the other three lecturer positions, divided up depending on results of the tenure-track and first lecturer searches. Spiker asked faculty for feedback and recorded ideas from the faculty about the search and positions.

Sheehan announced new j/I at University of Maryland October 20-21.

Spiker said new meeting times for department coming soon.

Meeting adjourned at 11:30 a.m.

Respectfully submitted,
