

2016/17 Salary Equity Committee

Activities and Accomplishments

The committee consisted of **Robyn Goodman** from Advertising, **Sri Kalyanaraman** from Journalism, **Moon Lee** from Public Relations and **James Babanikos** from Telecommunication, who served as Committee Chair.

This year, there was only one request for a Salary Equity Review, and it came from Telecommunication Associate Professor **Tim Sorel**.

David Ostroff, the Telecommunication Chair, made copies of Professor Sorel's materials and placed them in the committee's mailboxes on Tuesday, November 8th.

The committee looked through the materials and met on Wednesday, November 16th at 1:00 pm in 3201 Weimer Hall to discuss the case, and to talk about what our recommendations would be to the Dean and Associate Dean. There was unanimous agreement in the committee that Professor Sorel made a strong case for a salary increase.

As the Committee Chair, I met with the Dean and Associate Dean on Tuesday, November 29th from 1:00 – 1:30 pm to present the committee's recommendations.

Sincerely,

James Babanikos, Committee Chair
