

Minutes
Faculty Meeting
Oct. 19, 2011

Dean Wright called the meeting to order at 11:45.

College Strategic Plan

Wright displayed the College's Strategic Plan and said that the plan now incorporated all of the feedback from the Kick-Off faculty meeting as well as the subsequent faculty luncheons. He noted that he, **Hon**, and **Quenta Vettel** had made final edits to the document. He asked for a motion to approve, which was granted. **Chance** asked for clarification about whether this was still considered a draft document. **Wright** noted that it was because the plan will be regularly reviewed and revised as needed. There was no further discussion and the motion was approved unanimously. He said that the document will be posted on MyCJC and reminded everyone that the next step is departmental discussion about objectives and timelines for each of the college-level goals. These objectives and timelines will be incorporated into the document by the end of spring semester.

Updates on the ACEJMC Self-Study

Hon said that she had made all of the edits suggested by the members of the Faculty Senate and other faculty who sent her suggestions and comments. She reminded the faculty that Oct. 22 at noon was the deadline for any final edits since a hard copy (with electronic attachments) was due to ACEJMC Oct. 31. She thanked all of the faculty who provided suggestions and comments. She noted that she was very grateful to all of the administrators and staff who gave their time generously and met numerous deadlines.

The meeting was adjourned for lunch at 12:05.

Respectfully submitted,
Amy Belanger
