

Advance Registration FAQs summer 2020 / fall 2020

1. Can I make an appointment during advance registration?

Unfortunately, in order for advisors to help as many students as possible, we will only be able to advise students **remotely**, and on a 'first-come, first-served' basis from **March 16th-March 30th**. This temporary arrangement includes PaCE students. Remote advising may be extended beyond March 30th depending on the situation at hand. During this time, we will only help students for summer and fall registration. For all other inquiries, please wait until the end of the term. We cannot complete full 4 year plans during this time.

Please note: UF Online students (i.e. students in our 100% online programs) can still schedule advising appointments with our UF online advisor, Bridget Dunbar, by clicking here: <https://calendly.com/bdunbarjc>.

2. How do I prepare prior to speaking with an advisor?

- Clear your holds.** Note that Registration Preparation holds are placed every semester.
- Know your registration time:** one.uf.edu->registration prep->summer 2020/fall 2020
- Have an idea of what to take next (see below)**

5. I need to talk about internship requirements. Please check the websites below first and contact your department chair for internship approval:

7. I need online classes due to my work schedule, involvement, etc.

Utilize the filters on one.uf.edu. Make sure that you select all options circled as in the picture below:

The image shows a mobile application interface for filtering search results. The 'Filters' section is expanded to show 'Program' (set to 'Campus / Web / Special Program'), 'Program Level' (set to 'Undergraduate'), and 'Department' (set to '--'). Below this is the 'Course Filters' section, which is also expanded to show 'Class Meeting' (set to 'Class Meeting'). Under 'Class Meeting', there are sections for 'DAYS' (Monday through Saturday) and 'PERIODS' (Period Start and Period End). At the bottom, there is a section for 'Class Meeting Times' with a sub-section 'ONLINE OR ON CAMPUS CLASSES' containing options: 'Online (100%)' (checked), 'Online* (80-99%)', 'Hybrid', and 'Primarily Classroom/Traditional'.

8. I need a form filled out by my advisor.

During this temporary arrangement, we won't be completing / signing minor forms, dual degree forms, combination degree forms, etc. If you have a financial aid form, a college petition, or a university petition, email the completed form to advising@jou.ufl.edu. We'll do our best to get the form back to you in a timely manner.
