# Get your boots muddy!

Fall 2021: Environmental Journalism with Cynthia Barnett

**Mondays 9:35-12:35** (Periods 3-5)  
**Undergrads JOU 4314** (23413-EJ01)  
**Grads MMC 6936** (23723-EJ20)

Tell stories of the planet and its life. Report on science with credibility and flair. Investigate shenanigans. Instill wonder. Help people understand their connections to the climate and environment. Give audiences the knowledge they need to make the best decisions on behalf of people, land, water & wildlife.

**Our overnight field trip is BACK for Fall!**  
**Instructor approval required.**
