

**SPRING**  
**2023**  
*graduate*  
**RECOGNITION CEREMONY**

**THIS IS NOT AN OFFICIAL GRADUATION LIST**

While every effort is made to ensure accuracy in this graduate recognition program, printing deadlines may result in omission of some names and use of names of persons not completing graduation requirements as intended. This printed program, therefore, should not be used to determine a student's academic or degree status. The university's official registry for conferral of degrees is the student's permanent academic record as reflected on the student's transcript, maintained by the Office of the University Registrar.

# DEAN'S *message*

**T**he 2023 Graduate Recognition Ceremony is a milestone in many ways. For most, it signifies the beginning of a new, professional journey or the continued pursuit of your academic goals. But for our 2023 graduates, it also demonstrates their resiliency and determination during difficult times that will propel them in their next chapter.

Achieving a college degree is challenging in the best of times. For all of our students — graduate and undergraduate — a global pandemic, social unrest and political polarization has made it particularly challenging. But our students, faculty and staff have risen to the occasion with grace, determination, empathy, and inspiring adaptability.

I have been so fortunate to have led this College over the past two years and to have met so many incredible students. Each story was unique. Each success was their own. And each left their own mark on this venerable institution. Now they emerge to lead the industries of mass communication and change them for the better.

I celebrate the families and friends who provided love and support throughout our students' academic careers. I toast the faculty and staff who guided our students and helped them hone the passion, inquisitiveness and skills that will allow them to thrive. And I sincerely thank our alumni who have demonstrated their generosity through gifts, mentoring and advice, and by opening doors to new opportunities.

Best of luck to all of our spring 2023 graduates. We hope you will stay connected and engaged with your alma mater, and we look forward to hearing about your success.

Onward and upward. And Go Gators!

Best,

**Hub Brown**  
Dean

# GRADUATE RECOGNITION CEREMONY

MAY 6, 2023

UNIVERSITY  
OF FLORIDA  
*alma mater*

Florida, our Alma Mater

Thy glorious name we praise

All thy loyal sons and daughters

A joyous song shall raise

Where palm and pine are blowing

Where southern seas are flowing

Shine forth thy noble Gothic walls

Thy lovely vine clad halls

'Neath the Orange and Blue victorious

our love shall never fail

There's no other name so glorious

All hail, Florida, hail.
