

Department of Media Production, Management, and Technology
Minutes of Meeting of October 26, 2022

Present: Ostroff, Esterline, Sorel, Thompson, Selepak, Lee, Babanikos, Coffey, Chan-Olmsted, Zawahry, Xu, Coche, Leslie

1. The College has proposed reducing the degree requirements from 124 to 120 hours. To accomplish this, the faculty approved the following:
 - a. VIC 3001 from 4 credits to 3
 - b. Management and Strategy and Media and Society: drop American State and Local Government/Intro to International Relations/Comparative Politics
 - c. Digital Film and Television Production: Drop 3 credits of outside electives

2. The faculty approved course name changes to reflect change in department name:

Current Name	Proposed Name
RTV 4500 Telecommunication Programming	Content Acquisition, Distribution, and Strategy
RTV 4700 Telecommunication Law and Regulation	Media Regulation
RTV 4800 Telecommunication Planning and Operations	Media Management and Strategy
RTV4905 Individual Projects in Telecommunication	Individual Projects in Electronic Media
RTV4910 Telecommunication Undergraduate Research	Undergraduate Research in Electronic Media
RTV4940 Telecommunication Internship	Electronic Media Internship

3. The faculty approved the creation of new courses to be added to RTV 3516 as co-requisites to 4929c

- Cinematography
- Editing & Sound Design
- Screen Writing
- Documentary I
- Graphic and Visual Effects (After Effects becomes a 3000 level course)
- RTV3516c would stay for course development
