## 2023-24 PaCE Requirements

PaCE students must complete the following requirements prior to transitioning to campus: earn a total of 60 credits, earn a minimum critical tracking and UF GPA of 2.0, complete at least 2 semesters and 15 credits through UF Online, and pass all their major-specific transition courses with the appropriate grades. PaCE students can find additional information on their academic requirements through the [undergraduate catalog](#) and [CJC Advising website](#).

<i>Major-Specific Transition Courses</i>
