# DEAN'S *message*

**T**he 2024 Graduate Recognition Ceremony is a milestone in many ways. It signifies the beginning of a new, professional journey or the continued pursuit of students' academic goals. And the Class of 2024, like those before them, has demonstrated their resiliency, fortitude and excellence that will propel them as they write the next chapter of their life story.

This remarkable class was forced to complete their high school career and start a very significant journey in their life in the midst of a global pandemic. Despite the isolation, insecurity and uncertainty, our students, faculty and staff have risen to the occasion with grace, determination, empathy and inspiring adaptability.

I have been fortunate to have met so many incredible students and witness their emergence as accomplished young adults. Our College exposed them to unparalleled opportunities - both in the classroom and in real-world venues - and have provided them with the skills to be leaders in their chosen profession. We look forward to celebrating their successes in the years to come.

I celebrate the families and friends who provided love and support throughout our students' academic careers. I toast the faculty and staff who guided our students and helped them hone the passion, inquisitiveness and skills that will allow them to thrive. And I sincerely thank our alumni who have demonstrated their generosity through gifts, mentoring and advice, and by opening doors to new opportunities.

Best of luck to all of our spring 2024 graduates. We hope you will stay connected and engaged with your alma mater, and we look forward to hearing about your adventures.

Onward and upward. And Go Gators!

Best,

**Hub Brown**  
Dean

**THIS IS NOT AN OFFICIAL GRADUATION LIST**

While every effort is made to ensure accuracy in this graduate recognition program, printing deadlines may result in omission of some names and use of names of persons not completing graduation requirements as intended. This printed program, therefore, should not be used to determine a student's academic or degree status. The university's official registry for conferral of degrees is the student's permanent academic record as reflected on the student's transcript, maintained by the Office of the University Registrar.

## *alma mater*

Florida, our Alma Mater

Thy glorious name we praise

All thy loyal sons and daughters

A joyous song shall raise

Where palm and pine are blowing

Where southern seas are flowing

Shine forth thy noble Gothic walls

Thy lovely vine clad halls

'Neath the Orange and Blue victorious

our love shall never fail

There's no other name so glorious

All hail, Florida, hail.
