

C&T Minutes

Sept. 12, 2005

Meeting starts at 10:40 a.m.

Attending: Asorey, Camacho, Coche, Chen, Daniyar, Hove, Hunt, Hunter, Hutchens, Magoc, Selepak

Spiker welcomed committee to 25-26 academic year and laid out the timeline for approvals of curriculum and committee charge. Departments will aim to have curriculum changes wrapped by December with final faculty voting in January at the latest. Committee will review awards in November.

Chen introduced changes to the ADV creativity certificate. To be voted upon at next meeting.

Coche introduced idea for a new course, a 2000-level special topics course. Coche will review and consider 3000-level special topic (sophomore standing prereq). Departments will discuss about making it MMC and cross-managed.

Hunter discussed quantitative options and proposal to vote on a list of approved classes. Coche suggested looking at degree plan holistically of all outside-CJC requirements. Departments will look at those requirements, while PATH reviews current list of QO courses.

Meeting adjourned.
